

ET 12 MEASURING EQUIPMENT FOR BASIC ELECTRICAL QUANTITIES

To prepare standards for direct and indirect acting analogue and digital indicating and recording instruments and their accessories, also transducers having electrical inputs and outputs for measuring electrical quantities by any method on direct current and alternating current at distribution system frequencies and their harmonics To prepare standards for primary reference apparatus, operating on direct current and alternating current at distribution frequencies and their harmonics for the purpose of measurement, traceability and intercomparison

Standardisation Testing & QC Directorate

Shri R.P. Sondhi *Chairman*

Bureau of Indian Standards

Smt Supriya Minz *Member Secretary*
