

**ANNEX 1**  
**COMPOSITION**

**LITD 11                      Fibre Optics, Fibres, Cables and Devices Sectional Committee**

To prepare Indian Standard for fibre optics systems and associated components and devices intended for use with communications equipment and devices employing similar techniques.

**Chairman**

- |   |                                                        |          |
|---|--------------------------------------------------------|----------|
| 1 | <b>Telecommunication Engineering Centre (TEC), DOT</b> |          |
|   | Shri Bal Kishan                                        | Chairman |

**Members**

- |    |                                                             |           |
|----|-------------------------------------------------------------|-----------|
| 1  | <b>Aksh Fibre</b>                                           |           |
|    | Shri Pawan Maheshwari                                       | Principal |
| 2  | <b>Birla Ericsson Optical Ltd</b>                           |           |
|    | Shri V.P. Singh                                             | Principal |
|    | Shri Narendra Jain                                          | Alternate |
| 3  | <b>Component Approval Centre Telecommunications</b>         |           |
|    | Shri Mukesh Mandol                                          | Principal |
|    | Shri R.N. Rai                                               | Alternate |
| 4  | <b>Centre for Development of Telematics (C-DOT)</b>         |           |
|    | Shri Atul Kumar Gupta                                       | Principal |
|    | Shri Prasant Kumar Rathore                                  | Alternate |
| 5  | <b>Central Electronics Engg. Research Institute (CEERI)</b> |           |
|    | Shri B.R. Singh                                             | Principal |
|    | Dr Suchandan Pal                                            | Alternate |
| 6  | <b>Central Glass &amp; Ceramic Research Institute</b>       |           |
|    | Dr Ranjan Sen                                               | Principal |
| 7  | <b>Central Scientific Instruments Orgn</b>                  |           |
|    | Prof. R.K. Sinha                                            | Principal |
|    | Dr. Samir Mondal                                            | Alternate |
