Important Information regarding your IIN Assignment

This IIN is issued with the understanding that it will be used in accordance with the requirements in ISO/IEC 7812. It should be understood that in assigning an IIN in response to your application, the Registration Authority is designating the assigned IIN as identifying the organization specified as a card issuer as described in ISO/IEC 7812-1.

The use of this IIN or any other IIN by a party which does not choose to comply with the provisions of this International Standard with or without the knowledge of the Registration Authority is beyond the control of the Registration Authority and, therefore, the Registration Authority cannot guarantee the sole and unique use of this IIN to your organization.

The information published in the *ISO Register of Card Issuer Identification Numbers* with regard to this assignment will be the information supplied on the application form by the applicant.

The operation of the Registration Authority is a voluntary non-profit service to card issuers complying with ISO/IEC 7812 and its success depends, in part, on the cooperation of card issuers. The Registration Authority will not be held financially liable for errors in the registration, reservation or assignment of IINs or the publication of those IINs and the names and addresses of the parties to which they are assigned.
