

ADVERTISEMENTS : You may also give wide publicity to your products in our Souvenir that will be released on the occasion. The following are the advertisement rates:

Outer Back : Rs. 25000/- Inner Back Rs. 15000/-

Front inner Rs. 15000/- Full page Rs. 7500/-

Half Page Rs. 4000/- **(All multicolour, GST 5% Extra)**

Organizing Committee

Chairman

- Er **K. Unnikrishnan**, FIE
Chairman, IEI Palghat Local Centre

Co-Chairman

- Mr. **Sanjay Pant**
Head (Civil Engg.), BIS, New Dehi

- Organizing Secretary
Er **A. Ramesh**, MIE
Honorary Secretary,
IEI Palghat Local Centre

Convenor

- Prof. **C. Somasekharan**, FIE

Coordinators

- Er **K.O. Pramod**, MIE, Int. PE(I)
- Er **D. Ajith**, MIE
- Prof. **B. Rajesh Menon**, FIE
IIPC, NSSCE, Palakkad

Members

- Er **A. Kesavan**, FIE
- Er **T.B. Ramkumar**, FIE
- Dr. **K.K. Babu**, FIE
- Dr. **E.K.K. Nambiar**, FIE
- Er **K. Madhana Mohan**, FIE
- Mr. **S. Arun Kumar**
Scientist 'D', BIS, New Delhi
- Er **C. Radhakrishnan**, FIE
- Er **Johnson George**, MIE

Important dates to remember

Last date for registration

10th Sept., 2019

Intimation Date

10th Sept. 2019

NSS College of Engineering Palakkad-8**

ABOUT THE INSTITUTION OF ENGINEERS (INDIA)

The Institution of Engineers (India) or IEI is the largest multidisciplinary professional body that encompasses 15 engineering disciplines and gives engineers a global platform from which to share professional interest. IEI has membership strength of over 0.8 million. Established in 1920, with its headquarters at 8 Gokhale Road, Kolkata - 700020, IEI has served the engineering fraternity for over nine decades. In this period of time it has been inextricably linked with the history of modern-day engineering. In 1935, IEI was incorporated by Royal Charter and remains the only professional body in India to be accorded this honour. Today, its quest for professional excellence has given it a place of pride in almost every prestigious and relevant organization across the globe. IEI functions among professional engineers, academicians and research workers. It provides a vast array of technical, professional and supporting services to the Government, Industries, Academia and the Engineering fraternity, operating from 121 Centres located across the country. The Institution has established R&D Centres at various locations in the country and also provides grant-in-aid to its members to conduct research and development on engineering subjects. The Palghat Local Centre was established in the year 1981 and became a full-fledged Local Centre in 1988. IEI conducts Section A & B Examination in different Engineering disciplines, the successful completion of which is officially recognized as equivalent to a Degree in appropriate field of Engineering of recognized Universities of India by the Ministry of Human Resources Development, Government of India. Every year as many as 90000 candidates appear for these exams. For details, please visit www.ieindia.org

ABOUT BUREAU OF INDIAN STANDARDS

The Erstwhile Indian Standards Institution (now Bureau of Indian Standards) was established in the year 1947 with the objective of harmonious development of standardization activity in India. The Bureau of Indian Standards (BIS) was established under the BIS Act, 1986 for the harmonious development of the activities of standardization, marking and quality certification of goods and for matters connected therewith or incidental thereto. A new Bureau of Indian Standards Act, 2016 which was notified on 22nd March 2016, has been brought into force with effect from 12 October 2017 that reinforces the activities of BIS in respect to standardization and certification of goods, articles, processes, systems and services. Formulation of Indian Standards is one of the core activities of BIS. The activity is done through 14 Division Councils representing diverse areas of economy and technology as follows:

1. Chemical
2. Civil Engineering
3. Electrotechnical
4. Electronics and Information Technology
5. Food and Agriculture
6. Management and Systems
7. Mechanical Engineering
8. Medical Equipment And Hospital Planning
9. Metallurgical Engineering
10. Petroleum, Coal and Related Products
11. Production and General Engineering
12. Textile
13. Transport Engineering
14. Water Resources

ABOUT NATIONAL BUILDING CODE 2016

The National Building Code of India (NBC), a comprehensive building code, is a national instrument providing guidelines for regulating the building construction activities across the country. It serves as a Model Code for adoption by all agencies involved in building construction activities be they Public Works Department, other government construction departments, local bodies or private construction agencies. The Code mainly contains administrative provisions, development control rules and general building requirements; fire safety requirements; stipulations regarding building materials, structural design and construction (including safety); building and plumbing services; approach to sustainability and asset and facility management. The code was first published in 1970 at the instance of the then Planning Commissions and was subsequently revised in 1983 and 2005. The Code has now been revised again as NBC 2016 and formally released on 15 March 2017.

ABOUT THE NATIONAL WORKSHOP & OBJECTIVES

The Workshop provides platform to highlight the philosophy and salient changes including number of new concepts, provisions and chapters incorporated in the recently revised NBC 2016. It further intends to provide guidance for effective implementation of the Code by all stakeholders for ensuring orderly, safe, accessible and sustainable development of buildings and built environment in the country.. Hence a discussion on various areas related to National Building code 2016 will be highly beneficial. This National Workshop will give an insight towards:

1. Overview of NBC 2016
2. Structural Design including Disaster Resistant Design of structures
3. Tall Buildings
4. Prefabrication, System Buildings and Mixed/ Composite Construction
5. Building Services (including Electrical, HVAC, Lighting and Ventilation)
6. Fire & Life safety
7. Asset and Facility Management

All technical papers will be presented by experts in the respective subjects from Bureau of Indian Standards, Delhi.

WHO CAN ATTEND ?

Anyone desirous of seeking clarification/ knowledge of National Building Code 2016 can attend

REGISTRATION : Registration of delegates should be done in advance by remitting registration fees as indicated below along with duly filled form per individual:

IEI Corporate Members	Rs. 1200 + GST
Research Scholars / Students	Rs. 1000 + GST
Delegates from Industries / others	Rs. 2000 + GST
Government Officials	Rs. 2000 + GST

SPONSORSHIP:

- 1) Title Sponsor : Rs. 1,00,000/-
- 2) Session Sponsor : Rs. 50,000/-
- 3) Table Space : Rs. 40,000/-
- 4) Sponsorship Gold : Rs. 10,000/-
- 5) Sponsorship Silver : Rs. 5,000/-.

For all categories GST shall be applicable.

All payments are to be made through crossed Demand Draft / Cheque/NEFT, drawn in favour of "IEI Palghat Local Centre" Payable at Palakkad
