

# FOOT PROTECTION

## SEMINAR ON SAFETY, PROTECTIVE AND OCCUPATIONAL FOOTWEAR

**25 NOVEMBER 2019 – NEW DELHI, INDIA**

This seminar is being organized by Bureau of Indian Standards as an inaugural event for ISO/TC 94/SC 3 – 'Foot Protection' meetings. International Organization for Standardization (ISO) is the global body for development of International Standards. ISO/TC 94/SC 3 is the technical committee under ISO for development of standards related to foot protection. ISO 20344, ISO 20345, ISO 20346 and ISO 20347, which are globally used as the base standard for safety, protective and occupational footwear, are developed by this Committee.

Footwear experts from all over the world will participate in the conference and following ISO/TC 94/SC 3 meetings. Meeting delegates and seminar participants will get in-depth information on the latest trends in foot protection.

### Venue:

**Magnolia Hall, India Habitat Centre, Lodhi Road, Near Airforce Bal Bharati School, New Delhi, 110003**

**ONLINE REGISTRATION NOW OPEN**
