## Steps To Create Test Request of Samples For GoL(Optional-2)/Inclusion Through Manakonline

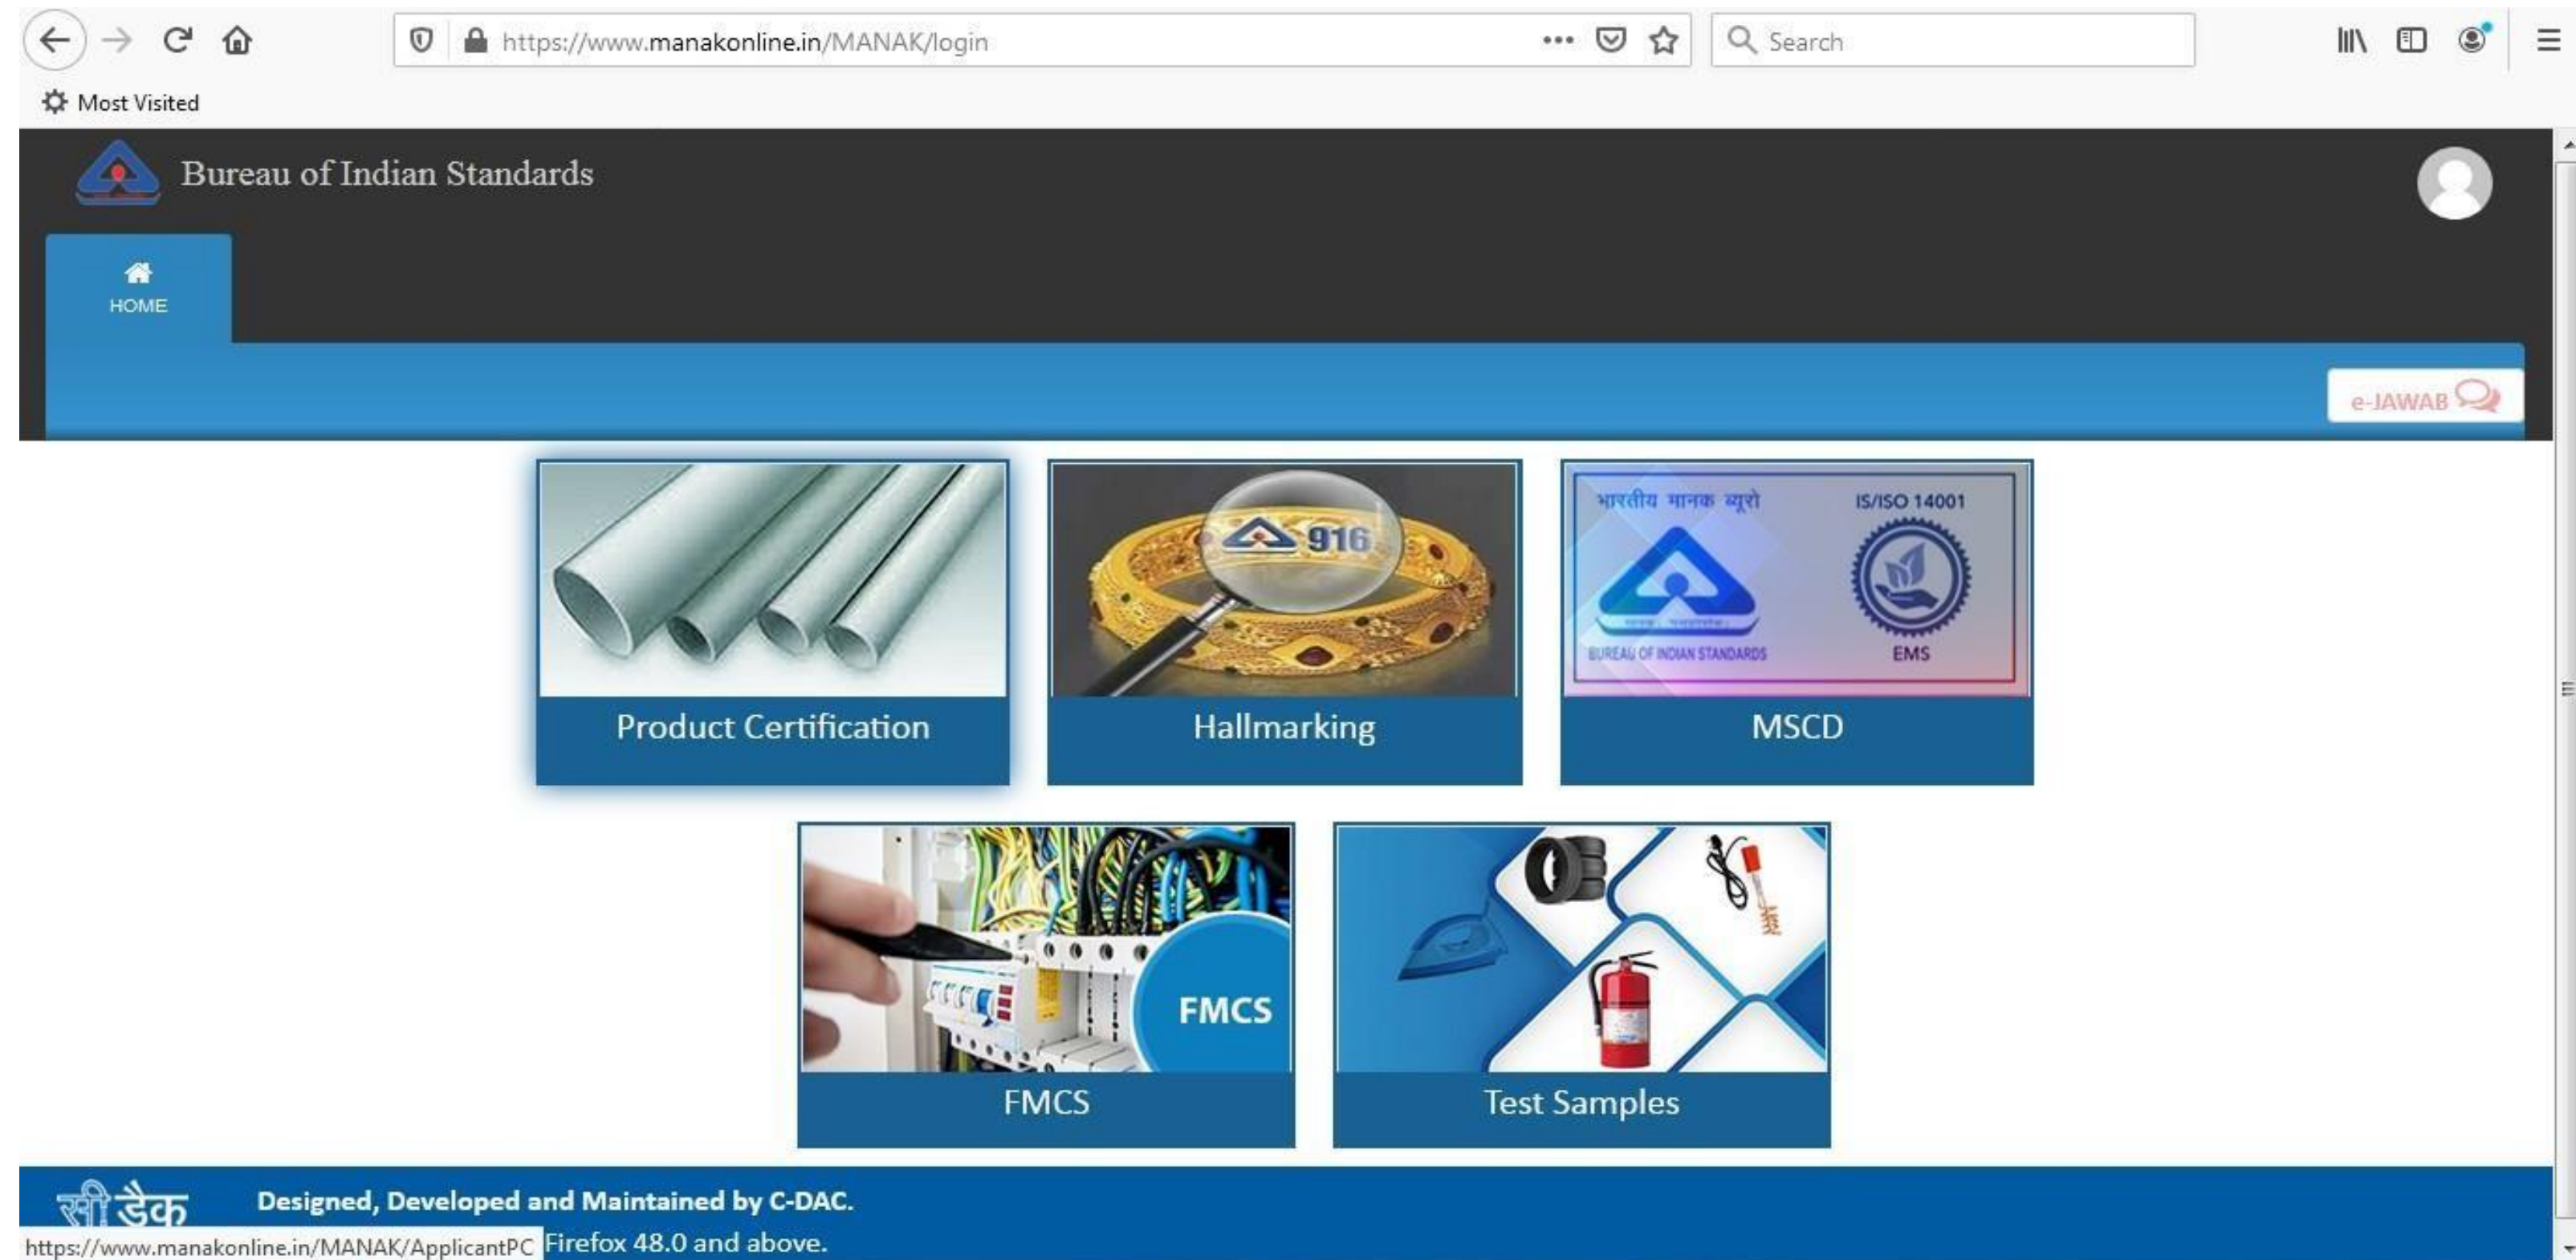

**BUREAU OF INDIAN STANDARDS**

Step 1: Login into e-BIS/Manakonline with your credentials

(<https://www.manakonline.in/MANAK/eBISLogin>)

Step 2: Go to Test Samples Section

### Step 3: Generate QR code(s)

The screenshot shows a web browser window with the address bar displaying <https://www.manakonline.in/MANAK/ApplicantTestSample>. The page header includes the Bureau of Indian Standards logo and name, a 'HOME' button, and an 'e-JAWAB' chat icon. The main content area is titled 'Welcome' and features a sidebar with three menu items: 'Organisation Profile' (with a person icon), 'Generate QR Codes' (with a QR code icon and highlighted by a red rounded rectangle), and 'Test Request' (with a flask icon). The main content area displays a message: 'Your Profile is 100% complete. Click [here](#) to edit your Organisation profile'. Below this message are two links: 'View' and 'Generate Test Request'. At the bottom right of the main content area, there are two links: 'Generate Test Request' and 'View Test Request'.

## Step 4: Generate Test Request

The screenshot shows a web browser window with the address bar displaying <https://www.manakonline.in/MANAK/ApplicantTestSample>. The page header includes the Bureau of Indian Standards logo and name, a user profile icon, and a navigation bar with a 'HOME' button and an 'e-JAWAB' chat button. The main content area is titled 'Welcome' and features three primary sections: 'Organisation Profile' with a 100% completion status and an edit link; 'Generate QR Codes' with a 'View' link; and 'Test Request', which is highlighted with a red rounded rectangle and contains 'Generate Test Request' and 'View Test Request' links.
