

Jewellers Awareness Programme at Bathinda on 04/08/2021

A Jewellers awareness camp was organized on 04.08.2021 at Hotel Sapphire in Bathinda with total number of 90 participants. The purpose of programme was to apprise the jewellers about mandatory hallmarking scheme for facilitating the jewellers to create User ID in the new hallmarking portal of BIS and to enable them to generate credentials for online transfer of jewellery to assaying and hallmarking centers (recognized by BIS) through Manakonline portal. The difficulties faced by the jewellers were addressed and queries pertaining to mandatory Hallmarking Scheme were answered.

A demo of manak online portal was given to explain them complete working of the portal. Each and every step was clearly demonstrated and queries were resolved related to it. They were also explained about the registration scheme of BIS for applying for BIS license.

The jewellers association appreciated the BIS efforts in reaching out to the jewellers and solving the problems faced by them in manakonline portal.
