

Farmer awareness camp on the importance of Standards in Agriculture Activities at K.V.K., Sonipat.

Panipat Branch Office conducted Farmers awareness program on the importance of ISI marked products in the agriculture activities and importance of BIS standards in Consumer Protection at Krishi Vigyan Kendra, Sonipat on 12/11/2021. This program was enthusiastically attended by a relatively large group of more than 50 farmers of the Sonipat district under the guidance of Dr. J K Nandal, director Krishi Vigyan Kendra, Sonipat. Mr. Arnob Samui, Scientist 'B' along with Mr Kushagra Jindal, Scientist 'B' and Mr. Deepak Chauhan, Spo created awareness among the farmers on defined BIS standards related to farming activities, food products and hallmarking. Farmers were made aware about the use and importance of BIS Care App. Mr. Kushagra Jindal guided farmers about installation and working of BIS Care App on their mobiles. The workshop concluded with great success, participants appreciated BIS efforts related to awareness about BIS Care App and Hallmarking of precious metals.
