Scientist-C  
BIS

As the National Standards Body of India, Bureau of Indian Standards took the initiative to create awareness about the importance of standardization in Gym Services and started the work to formulate Indian Standard on this subject under Health, Fitness and Sports Services sectional committee, SSD 05. In order to obtain suggestions and inputs for consideration in standardization in this area, BIS is organizing a Webinar on '**Importance of Standardization in Gym Services**'.

The webinar will facilitate eminent speakers and domain experts to share the best practices and their experiences in Gym Services which would surely be enriching for the delegates. It is our pleasure to invite you to be with us in this webinar and make this event a great success.

We are extending an invitation to you and your organization to participate in the Webinar. There is **No Participation Fee** for attending the Webinar and also **Certificate of Participation** would be issued to all the participants who would register for the Webinar. You may forward the invitation to other organization/stakeholders who would be interested in this Webinar.

### Objectives of the Webinar

1. To create awareness about importance of standardization activities in Gym Services.
2. To provide an overview on the best global practices in Gym Services.
3. To provide an overview of working document on 'Requirements for Gym Services'.
4. To identify organizations / individuals having expertise in Gym Services who can contribute in preparation of standard on Gym Services.
