**PRODUCT RECALL OF NON-CONFORMING BIS STANDARD MARKED (ISI marked) GOODS**

The Bureau Indian Standards grants the licence based on successful assessment of the manufacturing infrastructure, process controls, quality control and testing capabilities of the manufacturer through a visit to its manufacturing premises. Conformity of the product to the relevant standard(s) is also established through third party laboratory testing or testing in the manufacturing premises or a combination of both and during the operation of the Licensee periodic assessment of quality compliance carried out through factory as well as market surveillance.

During the recent surveillance the following BIS certified products of operative Licenses found not conforming and risk to human and might endanger the consumer or seller at risk. The BIS Licensees were advised to withdraw the particular Batch of product from market before they result in injury or disease.

The details of BIS certified and ISI marked products which are advised to recall;
