All India First License granted to :M/s Vansh Industries, Solan, Himachal Pradesh

Grant Date: 23 February 2022

Product: Rubber Hose for Liquefied Petroleum Gas (LPG) - Specification Part 1 Industrial Application

- Rubber Hose for Liquefied Petroleum Gas (LPG) is extensively used for domestic purpose as well as for industrial application. While license for Rubber Hose for LPG for Domestic Purpose was already there, there was no BIS license existed for same being used in industrial application.
- Industries like LPG bottling plant, Industrial furnace & boiler fired by High pressure LPG extensively use LPG Hose of High Working Pressure of 2.5 Mpa. There is a EN Standard EN1762 for High pressure LPG hose which was till now being used for industrial application

- The above firm i.e. M/s Vansh Industries is already manufacture of LPG rubber Hose and this firm was apprised that Indian Standard was available on Rubber Hose for LPG for Industrial Application i.e. IS 9573: Part 1: 2017 during an industrial meet organized by BIS in Baddi, Solan.
- The firm was apprised about the simplification process of taking BIS license and provision of manakonline for fast and paperless disposal of application, and BIS was committed to grant license within a fixed time frame.
- Several rounds of talks regarding completion of manufacturing facility and testing facilities taken place. Firm also took multiple testing of product to upgrade and align product to ensure compliance to IS 9573: Part 1: 2017

After ensuring compliance, firm sent product in BIS approved lab through manakonline portal and applied for taking All India First license. BIS Parwanoo Office, who was already in discussion with the firm, immediately processed the application after scrutiny and PI was done etc.

- Case was sent to CMD, BIS HQ for approval of marking fee and scheme of testing and further discussion held with CMD for finalizing the same; after which All India First License was granted to firm.
- > The firm appreciated the hand holding and guidance done by BIS and delighted to be a proud license holder All India First License.
