

Meet with the toy association of India

DLBO-II arranged a meeting with members of Toys Association of India at Auditorium, BIS HQ on 24.02.2022. In the meet, interaction was held with potential licensees of Electric and Non Electric Toys and they were explained about the procedure to apply for BIS license from start to end. Members of the association were made aware about recent developments in the Toys guidelines and their all queries and doubts related to Toys Certification were answered to their utmost satisfaction.
