

About the Course provider

The National Institute of Training for Standardization (NITS) was set up under the aegis of Bureau of Indian Standards in 1995 to meet the growing needs and expectations of the industry for standardization and conformity assessment related training. NITS organizes various types of training programmes related to standard formulation, conformity assessment, laboratory services, management system certification conducted by a team of well-experienced, qualified and trained faculty.

NITS is equipped with world class training infrastructure including an auditorium, a state of the art computer laboratory, multiple training halls of various seating capacity and a residential hostel.

PROSPECTUS

Certificate Course on Assaying and Hallmarking

(accredited by NSDC as NSQF Level 4 course)

Bureau of Indian Standards
Ministry of Consumer Affairs, Food and Public Distribution
Government of India

Introduction

Bureau of Indian Standards (BIS) operates the BIS Hallmarking Scheme for gold and silver jewellery/artefacts. Hallmarking provides third party assurance on purity or fineness of jewellery/artefacts marked. As per this Scheme, registration is granted to the jewellers to sell hallmarked jewellery. Such registered jewellers can get their jewellery hallmarked from any of the BIS recognized Assaying and Hallmarking Centres where the jewellery/artefacts are tested to check their declared purity or fineness. Only such jewellery/ artefacts which are found conforming are hallmarked through laser marking.

As per Hallmarking of Gold Jewellery and Gold Artefacts (Second Amendment) Order issued vide S.O. No. 2481(E) dated 23 June 2021 by Ministry of Consumer Affairs, Food and Public Distribution, Hallmarking of gold jewellery and gold artefacts for 14, 18 & 22 caratages has become mandatory from 23 June 2021 in 256 districts of the country.

The Assaying and Hallmarking Centres employ testing personnel for performing the assay (testing of purity of precious metal) and therefore the competence of testing personnel has a direct bearing on the reliability of the Hallmark. With the implementation of the above Order the demand for competent testing personnel for assaying is expected to increase exponentially

Objectives

- Bridge the competence gap in the skills of assaying and hallmarking personnel.
- Make the participants skilled enough to be employed as Assaying & Hallmarking Personnel in Assaying & Hallmarking Centres

Who should attend?

- Persons aspiring to make a career in Assaying and Hallmarking field
- Personnel presently working in Assaying and Hallmarking Centres for their skill upgradation and development.

Accreditation

The course is accredited as NSQF Level 4 course by National Skill Development Corporation (NSDC) functioning under the Ministry of Skill Development & Entrepreneurship (MSDE).

How to apply?

Application has to be made through BIS training portal through the following link www.manakonline.in or through emailing filled up application form to nits@bis.gov.in.

Criteria for selection & batch size

- Minimum class XII passed with Science subjects.
- Batch size - 20
- Selection on first come first serve basis

Venues

The course will be run by NITS, Noida and the classes would be held at Referral Assay Laboratories of BIS at Sahibabad (near Delhi), Kolkata and Chennai. Participant may choose the venue suitable to them. Hostel facilities at NITS, Noida can be availed on payment basis by participants choosing Sahibabad as their venue.

Course Fee

Course Fee is Rs. 10,000/- plus GST (@18%) payable online through the BIS Training Portal or through NEFT to “**Bureau of Indian Standards, Savings A/c No. 712210100000650, Bank of India, Sec-62 Noida, Branch Code 7122, IFSC Code BKID0007122.**”

Assessment

Certificate will be awarded to successful participants based on the formal assessment.

Course duration

It is a Non-residential course of 5 weeks (Combination of theory and practical classes) duration
