BIS

As the National Standards Body of India, the Bureau of Indian Standards (BIS) took the initiative to create awareness about the importance of standardization in Physical Activities & Sports and started the work to formulate Indian Standard on this subject under Health, Fitness and Sports Services Sectional Committee, SSD 05. The Sectional Committee has formulated Indian standard on '**Physical Activity, Sports and Injury Management - Guidelines for Safety in Educational Institutions and Community Sports Academies**' which is going to be released shortly.

BIS is now taking initiative to create awareness among the stakeholders and accordingly this Seminar is being organized on Physical activities and Sports in Educational Institutions and Community Sports Academies in **hybrid mode**.

The Seminar will facilitate eminent speakers and domain area experts to share the best practices and their experiences in physical activities and sports, which would surely be enriching for the delegates. It is our pleasure to invite you to be with us in this Seminar and make this event a great success.

We are extending an invitation to you and your organization to participate in the Seminar. There is **No Participation Fee** for attending the Seminar. Directors, Principals, Sports Coaches and Physical Education teachers would benefit from attending this Seminar. **You may forward the invitation to stakeholders from other educational institutions who may be interested in this Seminar.**

OBJECTIVES OF THE SEMINAR

1. To provide overview about physical education and sports in the educational institutions and community sports academies.
2. To create awareness about importance of standardization activities in physical activities and sports.
3. To provide an overview of Indian Standard on 'Physical Activity, Sports and Injury Management-Guidelines for Safety in Educational Institutions and Community Sports Academies'.
4. To identify organizations/individuals having expertise in physical activities and sports who can contribute in preparation of future standards related to the physical activities and sports.
