Know Your Standards Portal

The 'Know Your Standard' feature provides a one-stop access to all the documents and data related to a selected Standard. The Standard can be searched by entering the Indian Standard (IS) Number or a Keyword (like Product name) in the search box. User can not only access the basic documents related to the standard like the PDF of IS itself, amendments, gazette notifications, scheme of testing and inspections but also details like the list of licenses, list of laboratories testing for concerned IS, classification details and composition of the committee can also be seen through the app. The portal can be accessed by <u>clicking here</u>.

Download Indian Standards free of cost:

Step 1: Search the IS using the IS number or keyword feature on the portal. Once the details get listed, click on the first tile "Indian Standard".

Step 2: Ob clicking the first tile : "Indian Standard", the system will take the user to the sales portal of BIS and the IS details will get listed. In case the IS is an indigenous standard, user can download the IS free of cost by clicking on "Login to download".
