01-Dec-2022

**Subject: Manak Manthan on Wide circulation draft of IS 15330 (Doc No. ETD 25 (19683)),
Requirements of Lifts for Persons with Disabilities (Second Revision)**

Dear Sir / Madam,

As you are already aware, BIS, as the national standards body, has been formulating Indian Standards catering to the needs of various stakeholders in terms of quality and technological advancements. The standards are finalized through a consensus approach and the collective wisdom of the members of the Technical Committees. However, in order to ensure faster and easier implementation of these standards, BIS has taken the initiative of conducting a Manak Manthan meeting through which the stakeholders can directly discuss and comment on the standards which have been recently formulated or are at advanced stages of finalization. The Manak Manthan serves as a platform for identifying challenges and suggesting comments for improvement of standards and the feedback is made available to the concerned technical committee for addressing them suitably.

Taking this into account, Delhi Branch Office-II, Bureau of Indian Standard is organizing Manak Manthan on Wide circulation draft of IS 15330 Requirements of Lifts for Persons with Disabilities (Second Revision). This standard specifies the minimum requirements for the safe and independent access and use of lifts by persons, including persons with disabilities. Requirements specified in this standard are in addition to those specified in IS 17900 (Part 1) (under print) as applicable. This revision has been undertaken to align the requirements of the existing IS 15330 with the 'Harmonized Guidelines & Standards for Universal Accessibility in India 2021' published by the National Institute of Urban Affairs (Ministry of Housing and Urban Affairs, Government of India).

The main focus of this programme will be the discussions of various requirements and changes that are being brought into the standard. The outcome of the discussions will be shared with the technical committee for further action.

This will be an interactive session with exchange of ideas on this WC. We cordially invite you to attend the same. The programme is scheduled to be held at **Lal C Verman Hall, Manak Bhawan, BIS HQ, Delhi-110002 at 10:30 AM on 14.12.2022. You are cordially invited for lunch after the programme.** The relevant documents are attached for your reference.

We hope you will take some time out of your busy schedule, and if in case you are not able to attend the same due to some reason, you may appoint someone from your organization to attend the same, or join through the following Webex link:

<https://bisindia.webex.com/bisindia/j.php?MTID=mdec90b080bbf386dba07847098d3f2f8>

Thanking you.

Yours faithfully,

Sneh Lata
