

BUREAU OF INDIAN STANDARDS
GUWAHATI BRANCH OFFICE

Ref: GHBO/DLO Awareness programme

Date: 15/03/2023

BIS, Guwahati Branch held a DLO meeting on 15th March 2023 at DC's Conference hall, Batpeta District, Assam. The program was chaired by Shri. Khanendra Das, ACS, Additional District Commissioner, Batpeta.

A total number of 8 senior officials representing various state departments from PWD, PHED, Transport, Medical Department, DICC, Police Department and Irrigation, participated.

The participants expressed that the awareness program was helpful and ADC highlighted on the importance of standards for the different Departments and urged them to utilize ISI mark materials and follow the standard guidelines wherever possible by getting familiarized with BIS websites for locating Indian Standards.

Discussion related to certification procedure, Mandatory & voluntary products, various standards relevant to the field of participating officials were discussed. Also, live demo on Manakonline.in, how to navigate status & scope of Licence, how to locate and download standards, navigation of [BIS Care App](#), how to give proposal for new standards on our website was covered with live demo on www.bis.gov.in and manakonline.in.

Functional Manager, DICC, Barpeta requested BIS to give a similar awareness program in collaboration with DIC C for non - licensee manufacturers in coming months.

Attached below are some of the photos taken during the awareness programme:
