

ENGAGEMENT WITH STATE GOVERNMENT

Department of Consumer Affairs, Government of Rajasthan (DOCA) is the nodal department for consumer centric activities in the state. Both BIS and DOCA share a common objective of empowering consumers through awareness and education; enhance consumer protection and safety through progressive legislations and prevention of unfair trade practices; enable quality and quantity assurance through standards and their conformance; and ensure access to affordable and effective grievance redressal mechanisms. Due to the collaborations developed, ACS(CA) issued orders to district collectors for holding DLO meetings on the occasion of National Consumer Day and 9 DLO meetings were organized across the State as a result of this order. Further, BIS regularly participates in the activities and programs being organized in the state and its contribution is highlighted. BIS, JPBO 1 also collaborated with Rajasthan Pollution Control Board and delivered an online training for their officials on the subject “Lead Stabilizers in PVC Pipes and Fittings Rules- Role of RPCB and BIS” on 7 July 2022.
