- 800+ Schools Students
- 700+ Other Visitors
- 15 Different Industries
- 10 NGOs

As a part of its celebration of BIS Foundation Day, the Bureau of Indian Standards (BIS) Chandigarh Branch Office, in collaboration with the Centre for Social Work, Panjab University, organized the Manak Fiesta

A display showcasing the history of the Bureau of Indian Standards (BIS), offering visitors an opportunity to learn about its journey and contributions over the years.

Interactive exhibits showcasing the importance of standards in various sectors, such as Mechanical, Electrical, and Automotive, were organized. Industry representatives from various BIS license holder industries set up their stalls at Panjab University. They guided students about the role of standards in ensuring the quality of their respective products and functioning of their industries.
