MUBO-II Empowers Rural Communities Through the Manak Chaupal Initiative

MUBO-II has successfully spearheaded the \*Manak Chaupal Initiative, a grassroots effort aimed at spreading awareness about the immense benefits of Indian Standardcertified goods and hallmarked articles. This week, impactful sessions were conducted across \*\*20 Gram Panchavats\* in Bhiwandi Taluka. Thane District. Maharashtra. Participants were engaged in interactive sessions that shed light on:

 \*The Role of BIS (Bureau of Indian Standards):\* Understanding its importance in ensuring quality and safety. \*The Value of BIS-Certified Goods:\* How certified products enhance trust and reliability. \*The BIS Care App:\* A comprehensive guide to its features, functionality, and usage for easy consumer access. \*Hallmarked Articles:\* The process and benefits of purchasing hallmarked goods for assured purity.

## Impact:

The initiative has been met with overwhelming appreciation from \*village presidents, secretaries, and residents\*, who lauded BIS for its pioneering efforts in promoting a culture of quality and awareness at the grassroots level.

Through this program, BIS continues to bridge the gap between urban and rural communities, fostering a deeper understanding of quality standards and empowering individuals to make informed choices.

BIS Promotes Consumer Awareness in Sindhudurg

On National Consumer Rights Day 2024, MUBO-II of the Bureau of Indian Standards (BIS) collaborated with the District Supply Department, Sindhudurg, Maharashtra, to organize a consumer awareness program. The event saw participation from the District Supply Officer, Tehsildar of Sawantwadi Taluka, block-level officials, and over 200 attendees, including ration shopkeepers and consumers.

The program emphasized the importance of BIS-certified products, ISI-marked goods, CRS-marked items, and hallmarked articles. A live demonstration of the BIS Carel app was also conducted to enhance understanding and usage.
