About BIS

Bureau of Indian Standards (BIS) being the National Standards Body of the country discharges multitude of functions and services for enhancing the quality ecosystem in the country. The activities of BIS include standards formulation at national and international level, conformity assessment (Product Certification, Systems Certification, Registration and Hallmarking), testing, training and promotion of standards. All these activities are carried out through their network of offices at its headquarters, regional and branch offices and labs spread throughout the country.

About NITS

National Institute of Training for Standardization (NITS), the training arm of BIS, was set up under the aegis of BIS in 1995 to meet the growing needs and expectations of the industry for quality training in the fields of standardization, quality assurance, management systems, certification, laboratory testing, etc.

Since then, NITS has been organizing various types of training programmes for govt., academia, industry as well as for consumer bodies and common man. NITS has also been organizing various International Training Programmes for Developing Countries of Asia, Africa, Europe and Latin & South America. The programmes are conducted by a team of well-experienced, qualified and trained faculty.

The annual Training Calendar for FY 2025-26 can be accessed via the following link: -

On many occasions, client organizations of NITS require training courses customised for their officers/staff and conducted at their premises/online. NITS caters to these requirements by imparting the training at the premises of the clients on request. Such customized programmes conducted on specific request of client organizations at their premises/online are called as 'Off-Campus Programmes'.

Over the years, NITS has acquired the reputation of being the leading institute in the country offering trainings in the field of standardization, conformity assessment and quality.

About the Course

- IS/ISO 37001:2016 outlines requirements and provides guidance for establishing, implementing, maintaining, and improving an anti-bribery management system (ABMS).
